

# PAD PRINTING.

## Brand As Your Own with the LAT Apparel Label Change Program

### HELPFUL TIPS

Please set your artwork CAREFULLY. Artwork size, orientation and position.

**PLEASE CONVERT ANY MULTICOLOR LOGOS TO ONE COLOR.**

**Maximum Total Print Area: 2.4" (diameter).**

Also keep in mind the space needed for required garment size, fabrication and country of origin. Care instructions can be found in the side seam label of each style.

### ARTWORK REQUIREMENTS:

Adobe Illustrator - CC or lower saved to an eps and collected with all art, links and fonts *(please do not convert to outlines)*

For best printability, type/fonts should be sans serif and no smaller than 8pt.

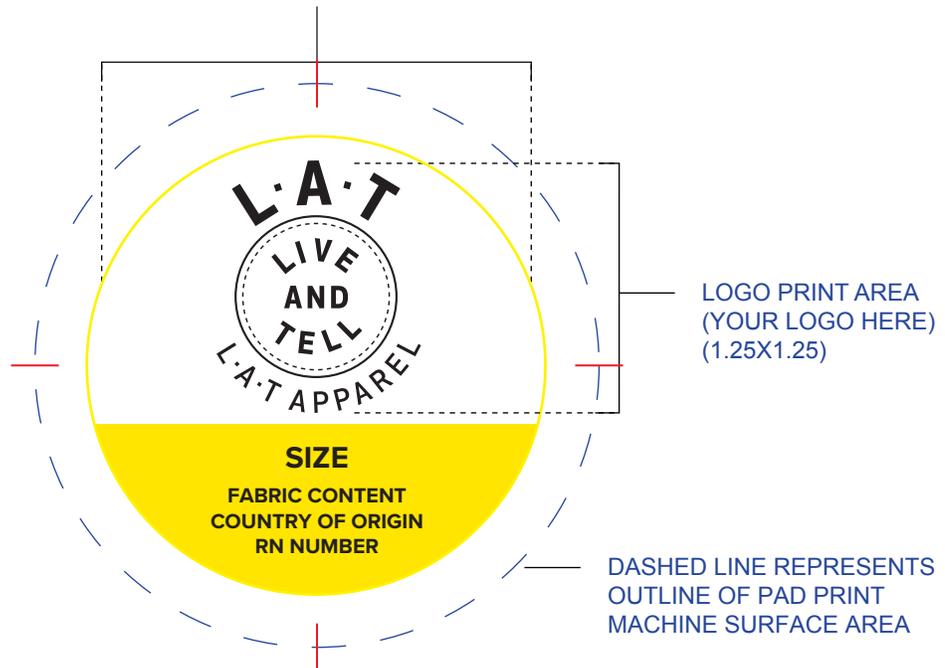

**As a standard practice, LAT will provide a photo proof for approval. Printing will begin upon receipt of approval.**

**Garment size, country of origin and RN will be provided by LAT unless otherwise indicated.**
