Dear Valued Customer,

The purpose of this letter is to ensure compliance required under the Consumer Product Safety Improvement Act of 2008 (CPSIA) and the California's Safe Drinking Water & Toxic Enforcement Act of 1986, commonly known as Proposition 65 or Prop 65.

A key provision of the CPSIA requires all manufacturers and importers certify that the consumer products they manufacture or import meet any applicable safety standards and rules. The garments produced by or for LAT Apparel are compliant with all applicable CPSIA and CPSC rules, bans, standards and regulations.

LAT Apparel has a reasonable testing program in place to ensure compliance with all of the above.

You can find a Certificate of Conformity for each of our styles located at:

<http://www.latapparel.com/cpsia>

Items produced by LAT Apparel do not contain chemicals which are listed as part Proposition 65. For more information on Proposition 65 or chemicals listed as part of this regulation, customers can visit California's Office of Environmental Health Hazard Assessment (OEHHA) website at <http://oehha.ca.gov/proposition-65>.

Please feel free to contact us should you have any questions regarding our products and product safety.

Sincerely,

Gina Watson
