Fit for Any Tale.

Children live in one continuous story where every little moment is big.

New games pop out of life's most common activities—from rolling, sitting, or standing to brushing their teeth and putting on their clothes.

Rabbit Skins lives in the anytime, anywhere adventure.

Our palette is for each personality, big and small. Our comfortable fit makes moving like a puppy, a dinosaur, or a princess free and easy.

Our care for each stitch means one less worry for mom and dad.

We believe the brightest futures start in the safe and colorful now.

And that's exactly why you'll find Rabbit Skins Fit for Any Tale.

How are we different?

Snap Tape

Plastic snap components are injection-molded onto soft polyester tape, providing a secure and consistent snap placement. This innovative technology, combined with design features like a soft-touch hidden closure, ensures that our Rabbit Skins bodysuits deliver both safety and a refined aesthetic.

WRAP Certified Factories

Worldwide Responsible Accredited Production.

CPSIA Compliant

All Rabbit Skins products undergo consumer product testing to meet stringent regulatory safety standards.

All garments feature a permanent tracking label in the side seam. CPSIA COC's by style and by style/purchase order (All are available on our website & actual tests are available upon request).

Fabric: Combed Ringspun Cotton and 3-End Fleece

Rabbit Skins is proud to offer premium fabrics across its range, ensuring quality, comfort, and durability. Our combed ringspun cotton fabric is featured in nearly every style we offer. By utilizing higher-end cotton, we deliver products that are not only durable and breathable but also exceptionally soft and easy to decorate. Additionally, all Rabbit Skins styles transitioned to a 3-end fleece with a 100% cotton face in 2024. This innovation enhances the softness, durability, and smoothness of the fabric. The 100% cotton face is ideal for achieving cleaner decoration and superior ink absorption, ensuring long-lasting designs and easy care.

100% Cotton Thread: Perfect for PFD

We sew all White & Ash garments with 100% cotton thread to ensure easy garment dyeing and vibrant, even colors. Cotton thread absorbs dyes effectively, resulting in consistent and high-quality shades. Its soft, durable, and natural composition, free of synthetic coatings, allows for optimal bonding with dyes. Additionally, cotton thread is more eco-friendly than synthetic options, making it the superior choice for textile dyeing and sustainable production.
