

PAD PRINTING

Brand as your own with the L.A.T. Apparel Label Change Program

ARTWORK REQUIREMENTS:

Adobe Illustrator CC or lower saved as an eps and packaged with applicable fonts (**do not convert to outlines**). For best printability, type/fonts should be sans serif and no smaller than 8pt. As a standard practice, L.A.T. Apparel will provide a photo proof for approval and printing will begin upon receipt of approval.

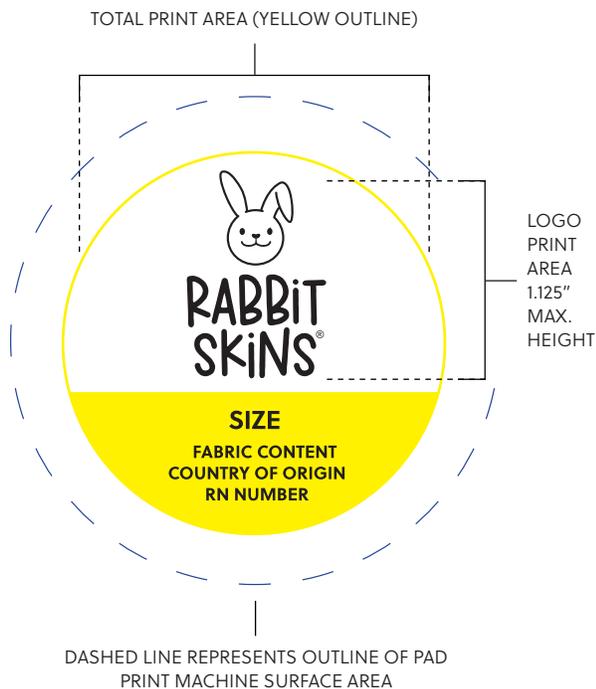

Size, fabrication, country of origin and RN will be provided by L.A.T. Apparel unless otherwise indicated.

Please set your artwork carefully – size, orientation and position and **convert any multicolor logos to one color**.

Maximum Print Area: 2" diameter.

(Keep in mind the space needed for required size, fabrication, country of origin and RN. Care instructions can be found in the side seam label of each style.)

LASER TEMPLATE

EXAMPLES

BLACK PRINT

WHITE PRINT

L.A.T. Apparel's full label is torn from the neckline and the back of the garment directly underneath the neckline is then pad printed with your logo in your choice of color: black, white or grey.
